

Remarks/Arguments

The present amendment properly identifies claim 10 as dependent on claim 1 by adding the inadvertently omitted word "claim" after the phrase "defined in". Entry of this preliminary amendment is respectfully requested. Independent claims in the application are claims 1, 7 and 11. Applicants respectfully contend that the Summary of Fees Due for 1 independent claim over 3 in the Notice to File Missing Parts should be withdrawn since only 3 independent claims are present in the application.

Respectfully submitted,
